

SWINE FEED

Tevaco Hog 13%

Pelleted Grower/Finisher Swine Feed

Feeding Directions:

Feed as the sole ration to growing and finishing swine.

Caution:

Always provide a source of fresh clean water, and free choice minerals. When making changes in an animals diet, allow a 7 to 10 day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect infested feed.

Warning:

Do not feed to sheep due to copper levels in this feed.
