

MINERAL

Formax Breeder Silver

Premium Vitamin/Mineral Supplement

Free choice supplement for beef cattle on pasture or with all-roughage rations.

Feeding Directions:

Feed Formax Breeder Silver free choice at all times. Do not offer other minerals or salt when feeding this mineral. Consumption will vary depending upon the availability and quality of your roughage supply. With these fluctuations taken into account, an adult animal should average 4 ounces per head daily. Provide clean water to all animals at all times.

Caution:

Consumption of Selenium should not exceed 3 mg per head per day. Feeding 4. oz. of Formax Breeder Silver will provide 3mg Selenium per head daily.

Warning:

Formax Breeder Silver, which contains added copper, should not be fed to sheep or any species with a low tolerance to supplemental copper.
