

STIMU-LYX
SOUTHEASTERN BRANDED SUPPLEMENT

STIMU-LYX® AN 25%

A supplement for beef calves and cattle on medium to low quality forage and improved reproduction performance.

Feeding Directions:

Feed AN 25% to growing/developing cattle and breeding cattle consuming lower quality pasture, hay, or forage. Place tub(s) in a dry location near the animal's source of water, salt, mineral, or loafing area. Consumption will vary depending on animal size, stage of production, quality, source, and availability of roughage and/or grains; number of animals per tub and tub location.

Species	Animals/200 lb Tub	Intake/hd/day
Cattle	25-35	0.5 lb - 1.5 lb

To increase consumption, decrease the number of animals per tub, or place tubs closer to the normal loafing area. To reduce consumption increase the number of animals per tub, or place tubs away from the normal loafing area. If your herd size is below the recommended number of animals per 200 lb tub, your expected consumption could be at the upper end of the estimated intake per head per day.

To feed, remove the plastic cover and score surface several times with a knife to encourage initial consumption.

Caution:

Always provide a source of fresh clean water, and free choice minerals.

Warning:

Do not feed to sheep due to copper levels in this feed.

Ingredients:

Cane molasses, hydrolyzed feathermeal, cottonseed meal, hydrolyzed vegetable fat, monocalcium phosphate, dicalcium phosphate, processed grain by-products, limestone, zinc sulfate, manganese sulfate, copper sulfate, ferrous sulfate, sodium selenite, ethylenediamine dihydriodide, cobalt carbonate, vitamin A acetate, vitamin D3 supplement, and vitamin E supplement

Guaranteed Analysis:

Crude Protein (min)..... 25.00%
 Crude Fat (min)..... 5.00%
 Crude Fiber (max)..... 2.50%
 Calcium (min)..... 1.30%
 Calcium (min)..... 1.80%
 Phosphorus (min) 0.60%
 Magnesium (min) 0.30%
 Potassium (min)..... 2.50%
 Copper (min).....300 ppm
 Manganese (min)1,200 ppm

Selenium (min).....4.4 ppm
 Zinc (min).....1,200 ppm
 Vitamin A (min)..... 80,000 IU/lb
 Vitamin D³ (min) 8,000 IU/lb
 Vitamin E (min)..... 100 IU/lb

NET WT. 200 LBS. (90.72 KG)
