

STIMU-LYX
SOUTHEASTERN BRANDED SUPPLEMENT

STIMU-LYX® Hi-Mag Fescue Relief

A supplement for beef calves and cattle on pasture to combat fescue toxicity and help prevent grass tetany.

Feeding Directions:

Feed Hi-Mag Fescue Relief cattle consuming lush, rapidly growing pasture or anytime low quality, low magnesium forages are fed. Place tub(s) in a dry location near the animal's source of water, salt, mineral, or loafing area. Consumption will vary depending on animal size, stage of production, quality, source, and availability of roughage and/or grains; number of animals per tub and tub location.

Species	Animals/200 lb Tub	Intake/hd/day
Cattle	25-35	0.5 lb - 1.5 lb

To increase consumption, decrease the number of animals per tub, or place tubs closer to the normal loafing area. To reduce consumption increase the number of animals per tub, or place tubs away from the normal loafing area. If your herd size is below the recommended number of animals per 200 lb tub, your expected consumption could be at the upper end of the estimated intake per head per day.

To feed, remove the plastic cover and score surface several times with a knife to encourage initial consumption.

Caution:

Always provide a source of fresh clean water, and free choice minerals.

Warning:

Do not feed to sheep or horses.

Ingredients:

Cane molasses, cottonseed meal, hydrolyzed feathermeal, magnesium oxide, urea, hydrolyzed vegetable fat, monocalcium phosphate, dicalcium phosphate, processed grain by-products, limestone, zinc sulfate, manganese sulfate, potassium chloride, copper sulfate, sodium selenite, ethylenediamine dihydriodide, cobalt carbonate, vitamin A acetate, vitamin D3 supplement, and vitamin E supplement

Guaranteed Analysis:

Crude Protein (min)..... 25.00%
(This includes not more than 12.5% equivalent protein from non-protein nitrogen.)
 Crude Fat (min)..... 5.00%
 Crude Fiber (max)..... 1.00%
 Calcium (min)..... 2.30%
 Calcium (min)..... 2.80%
 Phosphorus (min) 0.60%
 Magnesium (min) 3.00%
 Potassium (min)..... 2.50%
 Copper (min).....1,000 ppm

Manganese (min)2,700 ppm
 Selenium (min).....4.4 ppm
 Zinc (min).....4,000 ppm
 Vitamin A (min)..... 100,000 IU/lb
 Vitamin D³ (min) 20,000 IU/lb
 Vitamin E (min)..... 100 IU/lb

NET WT. 200 LBS. (90.72 KG)
