

POULTRY FEED

Chick Starter/Grower 18%

Crumbled Chick Feed (Medicated)

This is a medium range chick starter/grower and is designed for backyard type flocks raising replacement layers and traditional meat birds. It is not suitable for high end broiler chicks expected to finish in five to six weeks. **It can be fed from day one until pullets are 4 months old.**

Feeding Directions:

Feed as a Starter/Grower Ration from day old chicks up to 4 months of age.

Caution:

Provide to Poultry Free Choice. Always provide clean water. Always make sure that feed is free of mold and insects. When making changes to a poultry diet, do so gradually over a one-week period.

Ingredients:
