

Goat Feed

16% Goat

Pelleted Goat Feed

This high quality, pelleted goat feed is designed to provide needed nutrients to your goat. When fed at the proper rate, this feed containing 16% protein and 3% fat will meet the daily requirements for your goat. This feed also provides minerals and vitamins for proper function and reproductive performance.

Feeding Directions:

This feed is to be provided for goats. Feed at the rate of 1 to 2% of body weight per head per day along with free choice hay or other forages.

Caution:

Always provide a source of fresh clean water, and free choice minerals. When making changes in an animal's diet, allow a 7 to 10-day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect infested feed.

Warning:

Do not feed to sheep due to copper levels in this feed.

Ingredients:
