

RABBIT FEED

16% Rabbit Pellets

Pelleted Rabbit Feed

This feed is designed for rabbits and should be offered free choice.

Feeding Directions:

This feed should be offered free choice to rabbits.

Caution:

Always provide a source of fresh clean water, and free choice minerals. When making changes in an animal's diet, allow a 7 to 10 day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect.

Warning:

Do not feed to sheep due to copper levels in this feed.
