

FEED

# Formax 14% Stock Feed

## Pelleted Cattle, Goat, Sheep and Swine Feed

This feed is a pelleted all stock type feed designed to be a single option bag for cattle, sheep, goats and swine. It is manufactured in an ionophore plant and is not recommended for equines. It does have a special warning for sheep due to copper levels but should be safe for most classes of sheep in normal production systems. It is a higher energy all stock feed and does well in many situations.

### Feeding Directions:

Designed to be limit feed to most any class of livestock to supplement good pasture or hay. Would be suitable for cattle, mature sheep, goats or hogs.

### Caution:

Always provide a source of fresh clean water, and free choice minerals. As you make changes to animal's diet, allow a 7 to 10-day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect infested feed.

### Ingredients:

Processed Grain By-Products, Roughage Products, Calcium Carbonate, Salt, Ferrous Sulfate, Manganese Oxide, Zinc Oxide, Copper Sulfate, Sodium Selenite, Manganese Sulfate, Calcium Iodate, Cobalt Carbonate, Mineral Oil, Vitamin A Supplement, Vitamin D3 Supplement and Vitamin E Supplement
