

# STIMU-LYX

SOUTHEASTERN BRANDED SUPPLEMENT

**afc**  
Feed, LLC

# STIMU-LYX® HLF 30%

A supplement for beef calves and cattle on medium to low quality forage and improved reproductive performance.

## Feeding Directions:

Feed HLF 30 to growing/developing cattle and breeding cattle consuming lower quality pasture, hay, or forage. Place tub(s) in a dry location near the animal's source of water, salt, mineral, or loafing area. Consumption will vary depending on animal size, stage of production, quality, source, and availability of roughage and/or grains; number of animals per tub and tub location.

Species	Animals/200 lb Tub	Intake/hd/day
Cattle	25-35	0.5 lb - 1.5 lb

DAILY INTAKE VALUES ARE APPROXIMATE.

To increase consumption, decrease the number of animals per tub, or place tubs away from the normal loafing area. To reduce consumption increase the number of animals per tub, or place tubs away from the normal loafing area. If your herd size is below the recommended number of animals per 200 lb tub, your expected consumption could be at the upper end of the estimated intake per head per day.

To feed, remove the plastic cover and score surface several times with a knife to encourage initial consumption.

Do not stack anything on top of this tub without placing a slip sheet or wooden pallet between the tubs. Do not stack more than 2 tubs high. Provide clean, fresh water at all times, plus free-choice mineral.

## Warning:

Do not feed to sheep or horses.

## Ingredients:

Cane molasses, animal protein products, cottonseed meal, urea, hydrolyzed vegetable fat, monocalcium phosphate, dicalcium phosphate, processed grain by-products, limestone, zinc sulfate, manganese sulfate, copper sulfate, sodium selenite, ethylenediamine dihydriodide, cobalt carbonate, vitamin A supplement, vitamin D3 supplement, and vitamin E supplement

## Guaranteed Analysis:

Crude Protein (min).....	30.00%
<i>(This includes not more than 16.0% equivalent protein from non-protein nitrogen.)</i>	
Crude Fat (min).....	5.00%
Crude Fiber (max).....	1.60%
Calcium (min).....	2.30%
Calcium (min).....	2.80%
Phosphorus (min) .....	0.60%
Magnesium (min) .....	0.30%
Potassium (min) .....	2.50%
Copper (min).....	300 ppm
Manganese (min) .....	1,200 ppm

Selenium (min).....	4.4 ppm
Zinc (min).....	1,200 ppm
Vitamin A (min).....	80,000 IU/lb
Vitamin D <sup>3</sup> (min) .....	8,000 IU/lb
Vitamin E (min).....	80 IU/lb

Warning: This feed should be used only in accordance with directions on this label. Feed to ruminants only.
