# 15% Textured Stock Feed

## Textured All Stock Feed

**This is a textured all stock feed with 15% protein and a higher-than-average energy content.**

It is suitable for cattle, sheep, goats, deer and swine. Given that it is textured and contains some ground ingredients such as alfalfa meal, it is a bit dustier than some other feeds and it may take a few days to acclimate animals to it. Animals generally acclimate and consume all parts of this feed but may select out some larger particles and leave the dustier parts for a few days.

### Feeding Directions:

Feed to all classes of livestock. Feed at a rate of 1 to 3% of body weight to cattle, sheep, goats and swine. Feed free choice to growing swine or from 6-15 pounds to adult swine depending on stage of production and weight. Always feed with a free choice forage source and a free choice to ruminants. Always provide free choice minerals, vitamins and clean water. Never feed wet or moldy feed.

### Caution:

Always provide a source of fresh clean water, and free choice minerals. As you make changes to animal's diet, allow a 7 to 10-day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect infested feed.

### Ingredients:

Grain Products, Processed Grain By-Products, Roughage Products, Forage Products, Plant Protein Products, Calcium Carbonate, Ferrous Sulfate, Manganese Oxide, Zinc Oxide, Copper Sulfate, Sodium Selenite, Manganese Sulfate, Calcium Iodate, Cobalt Carbonate, Mineral Oil, Saccharomyces Yeast Culture, Salt, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Mold Inhibitor and BIOTIN 100

### Guaranteed Analysis:

Crude Protein (min).....	15.00%
Crude Fat (min).....	3.00%
Crude Fiber (max).....	18.00%
Calcium (min).....	1.00%
Calcium (max).....	1.50%
Phosphorus (min) .....	0.30%
