

## THE FORMAX™ ADVANTAGE

Formax™ mineral and vitamin supplements are formulated by AFC Feed, LLC specifically for southeastern livestock consuming southeastern forages. Forages in the Southeast are unique in their nutrient composition. Therefore, a mineral and vitamin program formulated for the southeastern forages will better meet the unique needs of your livestock. Formax™ offers a full line of Breeding, Grazing and Medicated minerals to meet and exceed the performance requirements for your herd.

For more than 50 years, Zinpro® has improved the health and well-being of both animals and people as a pioneer in the research and development of performance trace minerals and innovative nutritional solutions. Supplementation of Zinpro® Availa® 4 through Zinpro® Verified Formax products promotes better conception rates in cows, heavier weaned calves and overall health in your herd.

Formax™ Breeder Gold, Grazing Gold, and Fly Control Gold are Zinpro® Verified and contain the performance-proven levels of Zn, Mn, Cu and Co.

## MINERAL & VITAMIN MANAGEMENT

Formax™ Minerals should be provided free choice at all times. Provide one mineral feeder per 25 animals. Feeders should be located near water tanks, loafing areas and areas of best grazing. Depending on size of animal, consumption should average 4 ounces per head per day over feeding period.

### Want Hi-Mag/Grass Tetany Protection?

Formax 24/7  
Grazing Bronze M14  
Grazing Silver M14  
Grazing Gold M14 w/ Availa® 4

### Want to Increase Reproduction Efficiency?

Formax 24/7  
Breeder Bronze  
Breeder Silver  
Breeder Gold w/ Availa® 4

### Want Fly Control?

Formax 24/7 200 CG  
Fly Control Bronze IGR  
Fly Control Silver IGR  
Fly Control Gold w/ Availa® 4 IGR

### Want More Weight Gain?

Growth/Rumensin®

### Want Anaplasmosis Control?

Anaplaz FC 6000  
\*\*Requires current VFD\*\*
