

BIG BUCK BLEND

Big Buck Blend 16 Point

Pelleted Deer Feed

This feed is designed to be fed to deer. Follow Game feeding rules for your area when using this product.

Feeding Directions:

This feed should be offered to deer along with a quality forage source. Deer should be fed up to 2% of their body weight in this feed. Always follow game feeding rules in your area before feeding this product

Caution:

Always provide a source of fresh clean water, and free choice minerals. When making changes in an animal's diet, allow a 7 to 10-day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect infested feed.

Warning:

Do not feed to sheep due to copper levels in this feed.
